Lake Onderdonk Improvement Association – Late Summer 2025 BOD Meeting

5-23-26 – 9:00 AM

Present: Chris D'Alessandro, Vice President; Joe MacFadden, Treasurer; Karen Edwards-D'Alessandro, Secretary; Barb Porter; Maynard Porter; John Merrill; Randy Coon, Penny Stoever

Absent: Steve Converse, President

The BOD meeting was a loosely run meeting reviewing the agenda for the membership meeting and which members were to present the items. All information discussed and reviewed is contained in the membership meeting minutes.

Penny presented an idea to sell lifetime memberships to LOIA for $1,000 which would possibly provide a good deal of capital. Chris questioned if this was a "robbing Peter to pay Paul" strategy and possibly result in a shortfall of needed funds for weed control in the future. There was some discussion of this with no resolution.

Penny presented that she would like to see the issue with muck in the lake discussed more in meetings. She presented a bit more about this in the membership meeting.
