

Lake Onderdonk Improvement Association – BOD Early Summer 2025 Meeting

6/21/2025 – 9:00am

Present: SteveConverse, President; Chris D'Alessandro, Vice President; Joe McFadden, Treasurer; Karen Edwards-D'Alessandro, Secretary; Randy Coon; Barb Porter; Maynard Porter; John Merrill; Penny Stoever.

1. Steve called the meeting to order at 10:00am. He presented the agenda for today's meeting.
2. Steve noted that the dam was repaired. Joe McFadden donated the fencing and wire and Chris and Randy installed.
3. Steve asked for volunteers to explore insurance coverage. Randy, Barb and Maynard volunteered to contact their respective agents for quotes. It is estimated that LOIA has approximately 2 acres.
4. Steve presented the issue of the the toilet. Options to get a toilet, run water to it; accept donation of Steve's composting toilet; purchase a new composting toilet; rent a port-o-John. It was decided Steve will look at the instructions for the composting toilet and feasibility of that and Randy will take pictures of existing toilets for further discussion next meeting.
5. Steve presented third issue on the property-development of the lakefront property. It was decided that we would explore interest of non-riparian members prior to proceeding.
6. Karen asked about filing the minutes on the websites, e-mailing to those attending opposed to having hard copies. Edits and amendments can be e-mailed efficiently this way and there is no waste.
7. Water quality: Steve re-visited interest in muck-away. Penny who initially expressed strong interest in this consulted with NYSFOLA. They indicated no scientific benefit. We will not pursue this.
8. Meeting was ended at 10:00 am
